Subject: Gordon Creek 2, 7 & 8 2nd quarter water monitoring

Pete Hess:

I have successfully up loaded to the EDI the Gordon Creek 2, 7, and 8 the 2008 2nd quarter water monitoring results. I noticed there are several of the 1st quarter water monitoring sites still in the EDI queue for the mine. These had been uploaded within the proper timeframe and the Division notified of the successful upload. If you any questions regarding these data please let me know.

Thanks,

Chris Hansen
